Vision & Mission

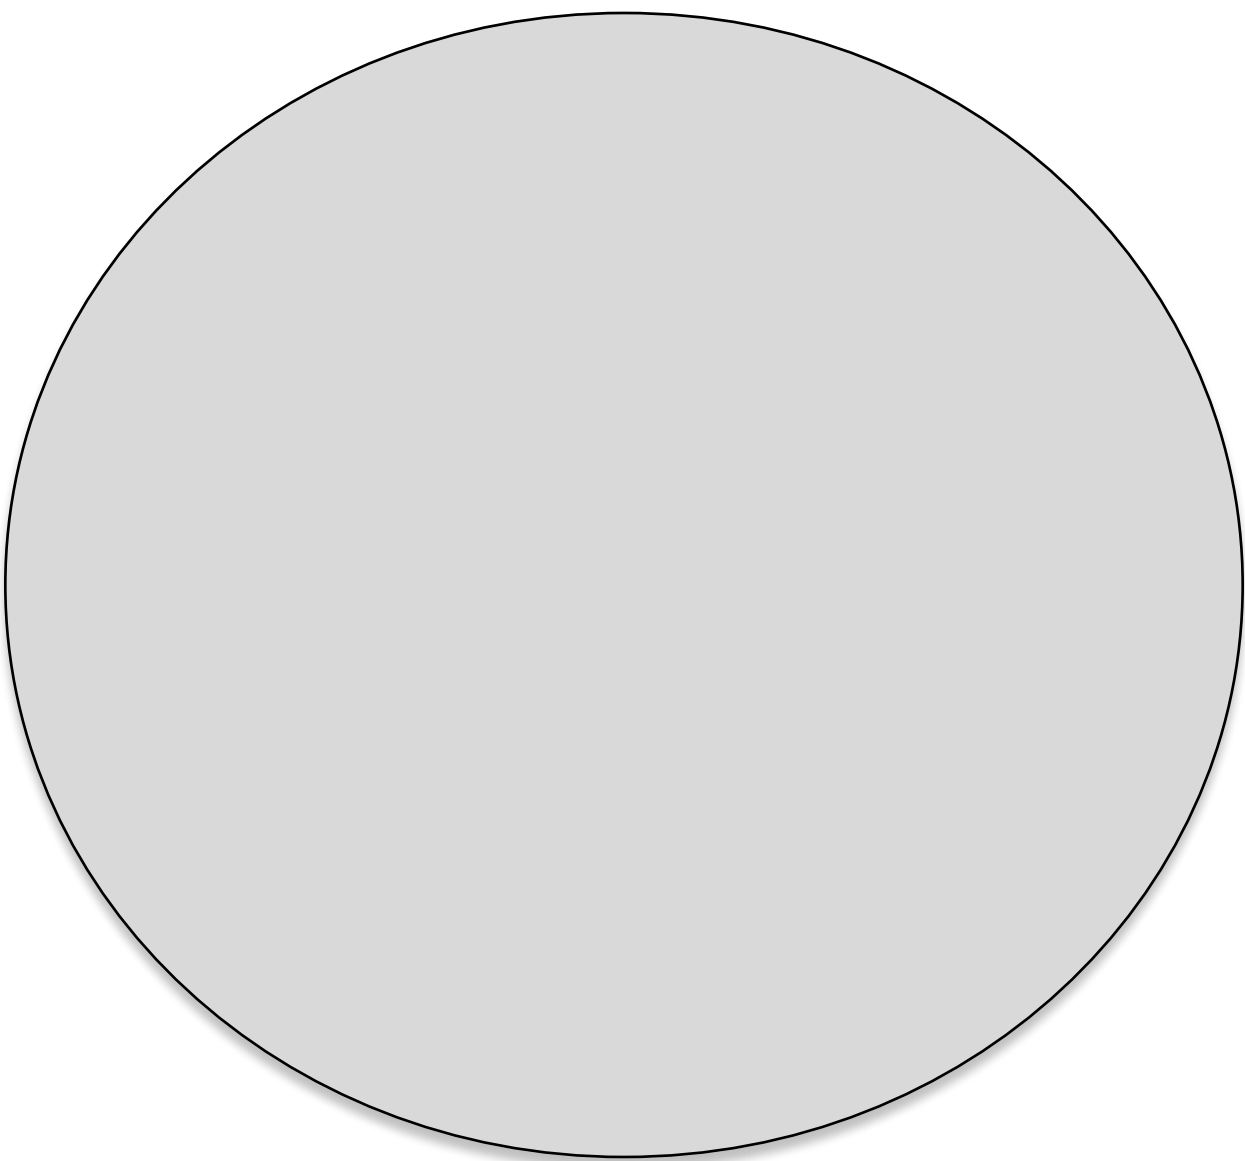

Vision

To provide a safe place where job opportunities may come. To be a help in the process of people getting jobs.

Mission

QuickLance's mission is to supercharge your hiring process. Turning freelancing to another level. With our swipe feature, employers will be able to screen candidates faster and more transparently. As a freelancer, you will be able to display your work through quality videos.

To create a fast, efficient and simple app that supercharges the hiring process for our users.

Founder Profile

Wallace is a grade 10 student with enthusiasm in tech, finance and entrepreneurship. He took the initiative to apply his enthusiasm into a project that could help him hone his skills, and one that could also help people in need of jobs, which lead to him founding “QuickLance”.
